Volume XXXI

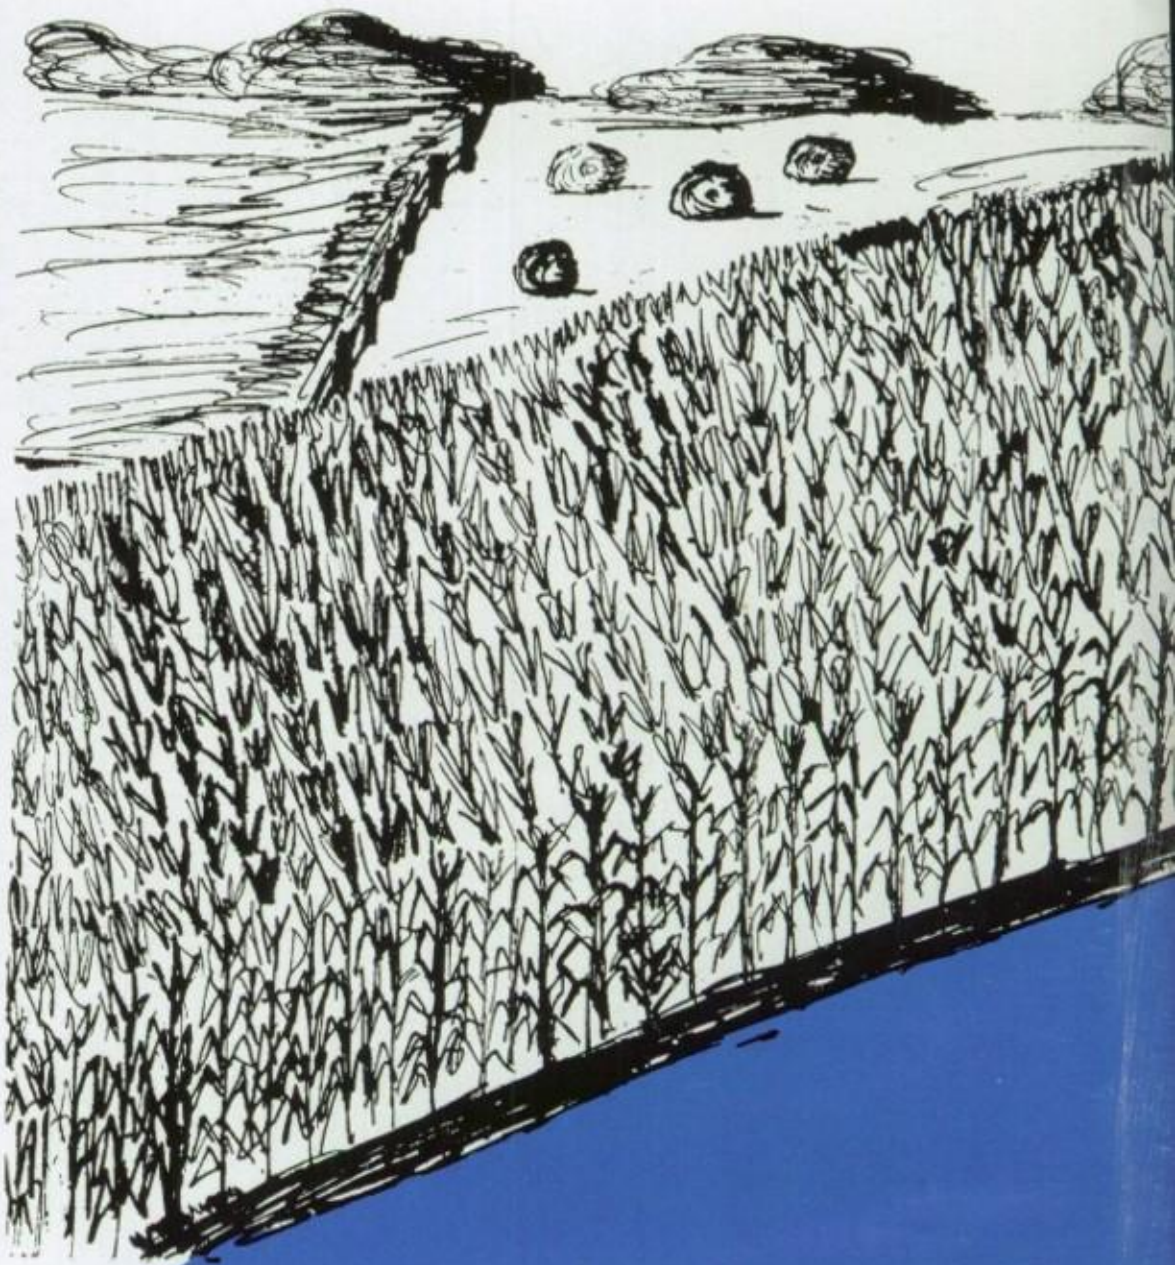

The windmills of this year's staff's minds were slow to start grinding out creativity, so we put off until the last possible time the selection of this year's theme. Mrs. K. was on the verge of a nervous breakdown and threatened us with exile in Siberia if we had not made up our minds. Therefore we had a brainstorm session and we all submitted theme ideas. They all bombed. The next day in class we went over some themes again and a staff member came to our rescue. The Russian military police were already waiting in the hall and we waited breathlessly for his idea. Bruce Cleveland told us how he came up with the idea in study hall, aided by Velvet Hilton. We all agreed that "A Trip Down Spartan Avenue" was a versatile and original idea for our book.

The End.

Or is it the beginning?

We Pass This Way But Once

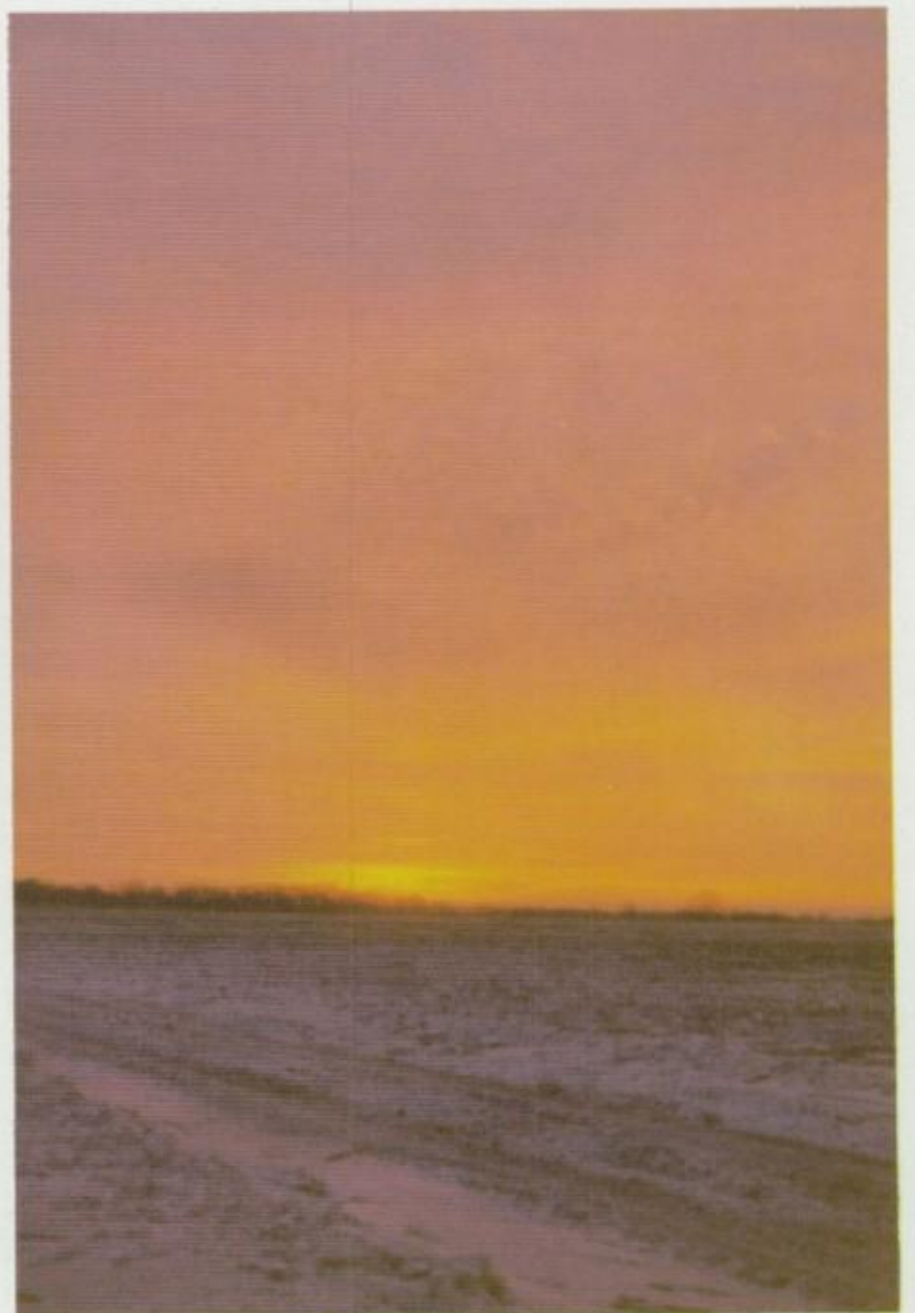

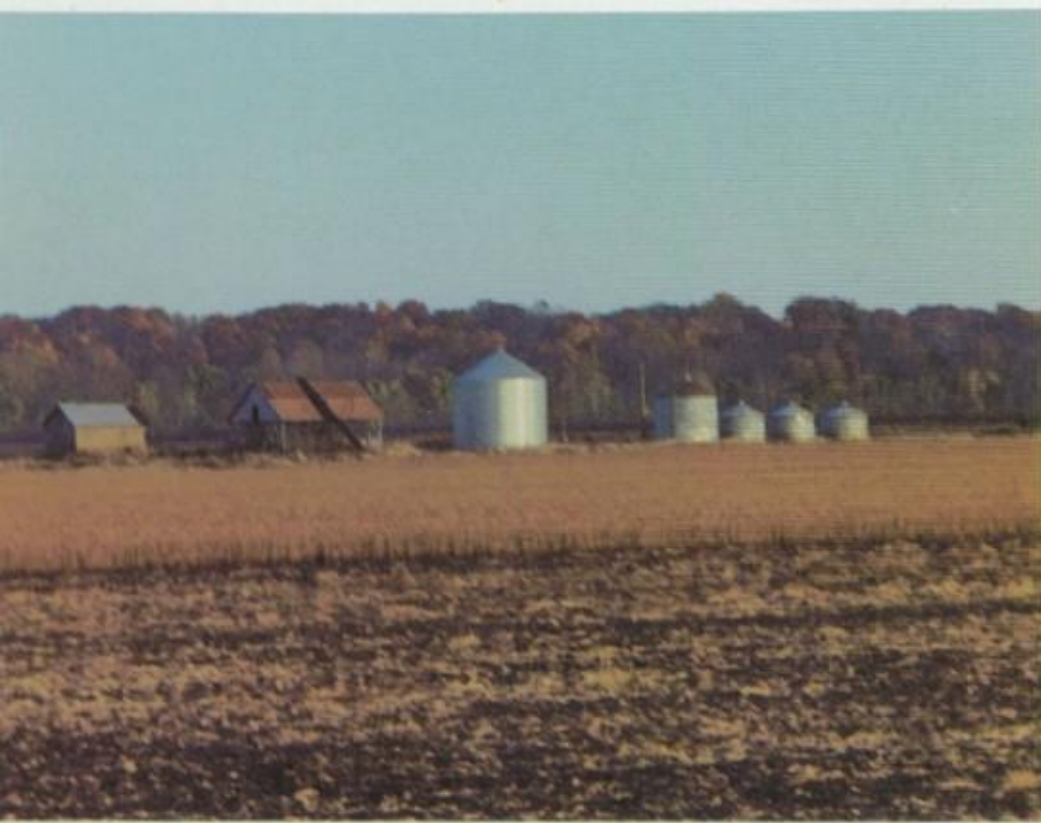

We walk this good, green earth but once,
We have but one chance to live
In a kindly way as we pass along
There is but one chance to give.

The earth is so good of the fullness of God
And the blessings of life are so vast,
Why do we stop to look back with regret
At mistakes all in the past?

Every new day is a chance to see
The best that there is on life's way,
And each setting sun brings the time to reflect,
I've done what I could for today.

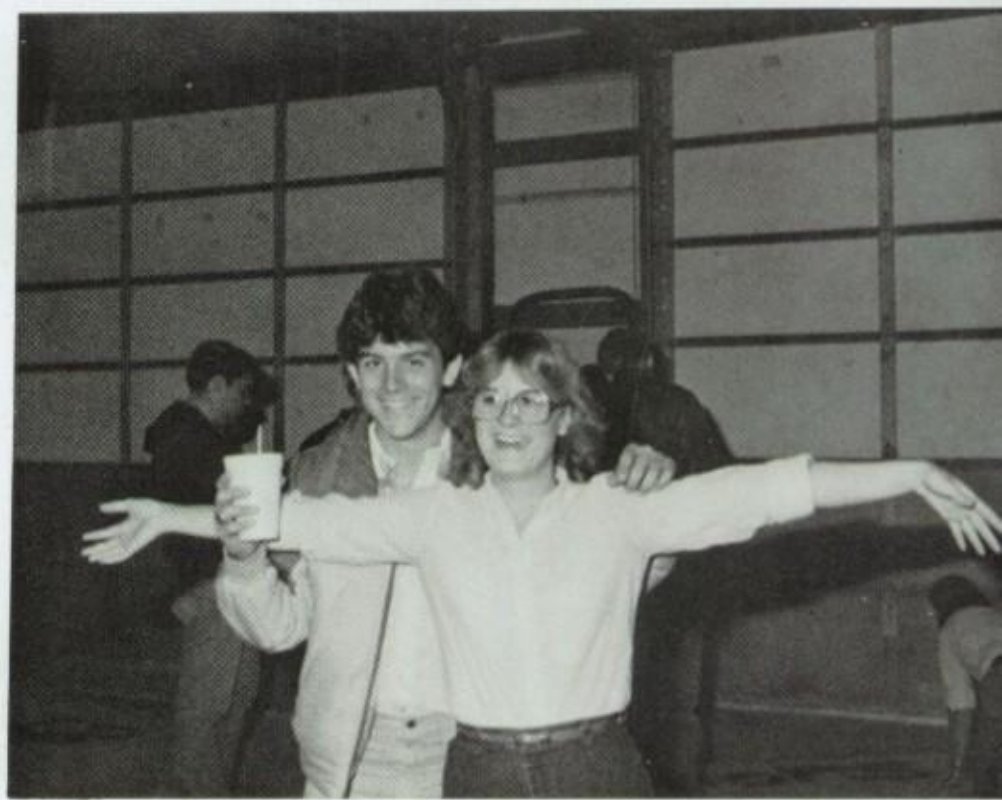

M.E. Gilchrist

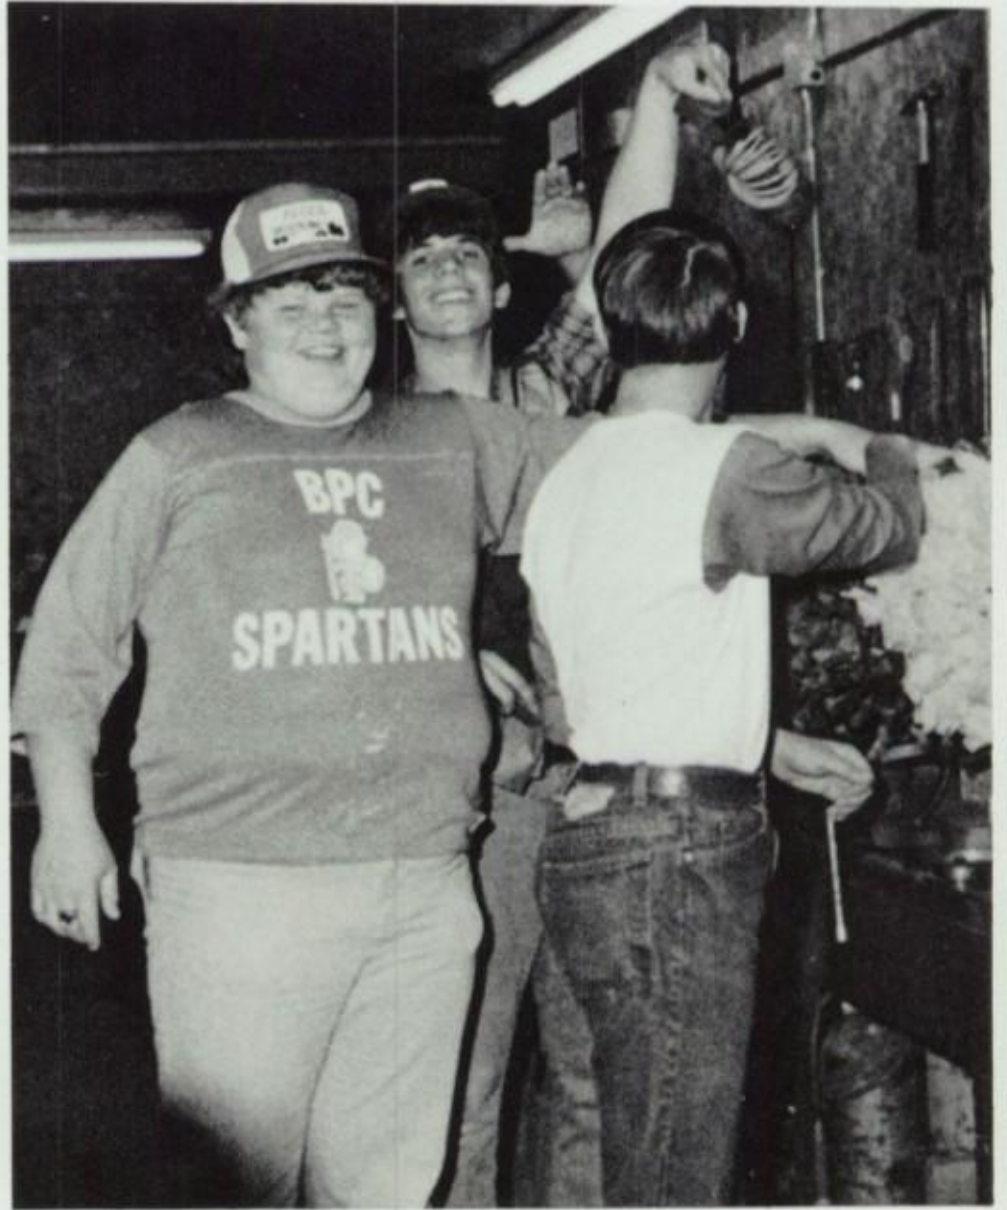

There is only one chance to smile a smile,
To hold our your hand to a brother,
Such a very short time to work at the art
Of sharing with one another.

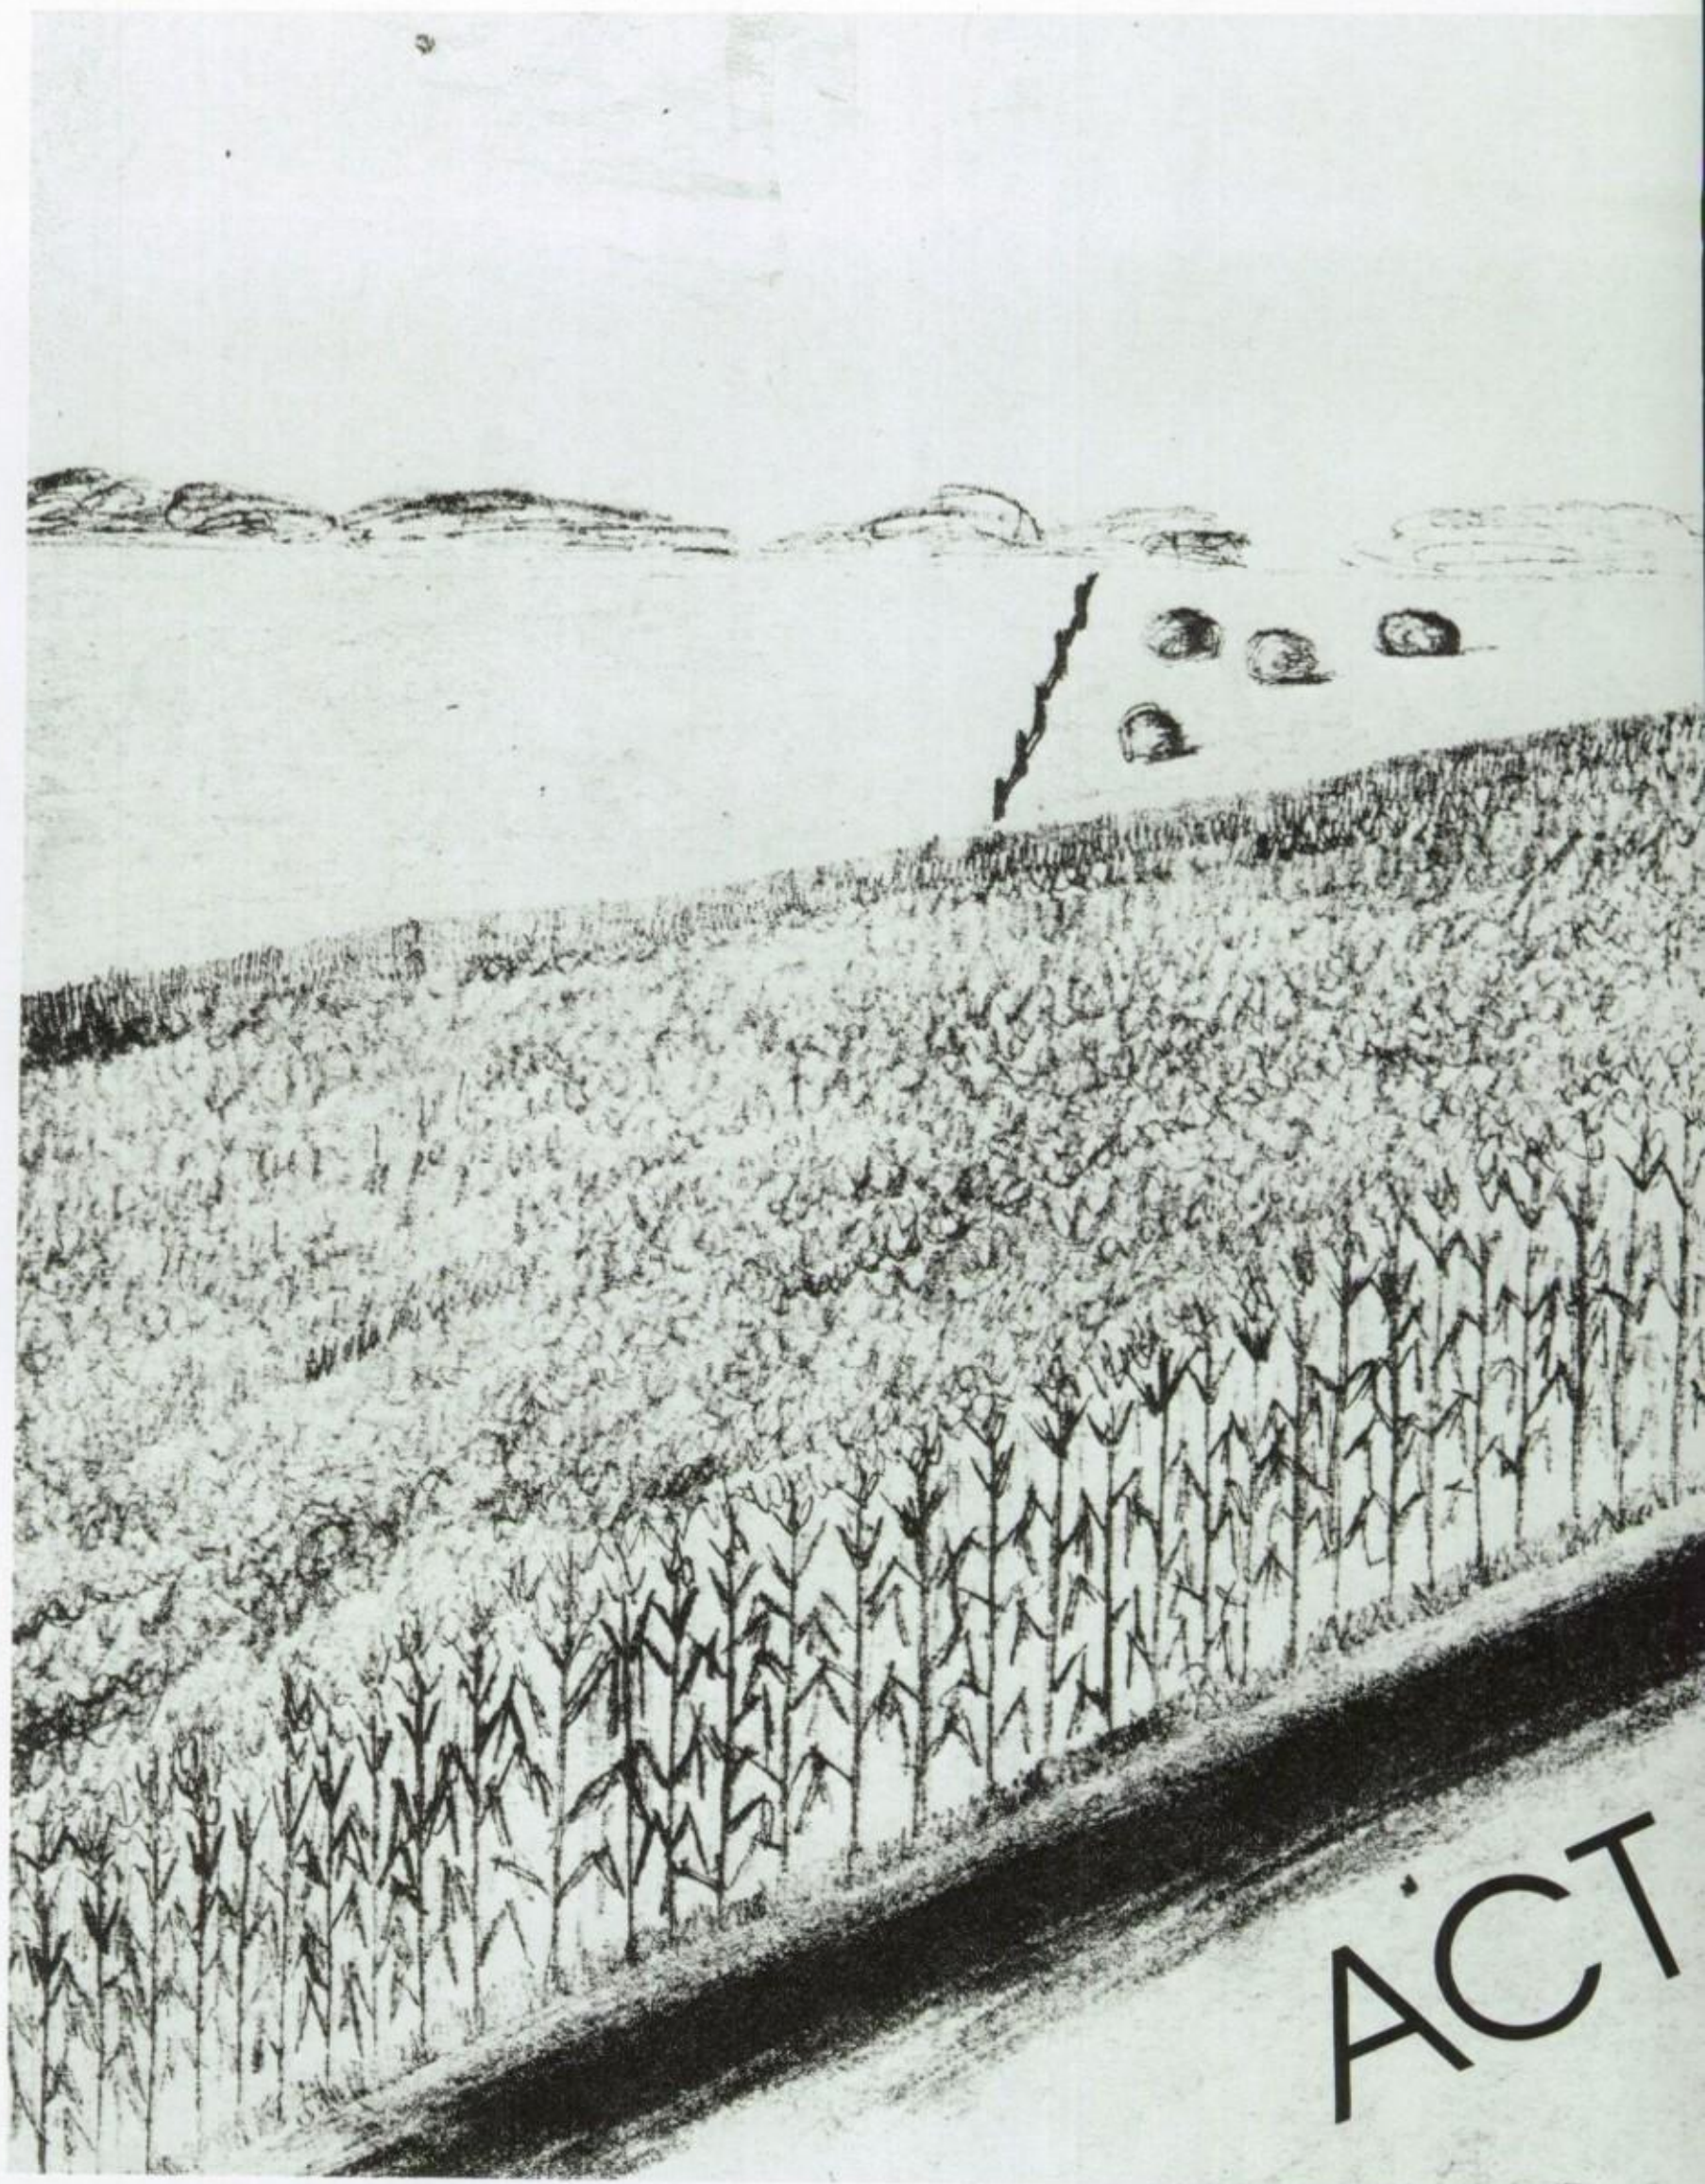

One little lifetime — the days are so few
That it seems such a waste of time
To find fault with neighbors or pick at our friends
Who "seem" to step out of line.

Homecoming '81

Sweetest Ever

This year's Homecoming got off to a super start to the theme of "Candy Bars." The Student Council and the student body pulled together to make this year's activities the best ever. The week began with hall decorations and a raffle for the game ball, Monday. Tuesday was dress up day with donuts and juice for all the well-wishers. Candy bars and suckers were sold Wednesday for Lick 'em and Eat 'em day. Thursday concluded the school week with SPARTAN Day. All participated in a pep assembly at the end of the day. The bonfire was lit Friday night and our schools spirit was really boosted. The Junior Class beat the Senior Class and faculty in the tug of war. After a long, exciting week, Saturday finally arrived. It was a beautiful day for the parade. In the class float division, Juniors won first place, Seniors second, and Freshmen third. We were defeated by the Rushville Rockets with a score of 0 to 14, but even a loss did not dampen our spirits. "Dreams never pop, they just get recycled."

Resting up for the next slow dance?

The theme for this year's dance, cleverly chosen and utilized by the Girls' Varsity Club, was "Milky Way", in keeping with the theme Candy Bars. The gym was decorated in blue and silver and jumping with the sounds of "Justice", a local group. At the climax of the evening, Debbie Rench and Mark Griffeth were crowned Homecoming Queen and King. Their court consisted of Cathy Clark, Shane Parker, Toni Toland, Dwight Pestle, Dena Pierce, Bruce Cleveland, Pam McLouth, and Jeff Vancil. Crownbearers were Natalie McGrew and Jeffrey Alexander.

Do I turn left or do I turn right??

From Spartan Ave.

Senior Class Play Cast members are: L to R: D. Maloney, K. Murfin, R. Stirratt, J. Vancil, H. Sweney, V. Emory, T. Crowell, J. StClair, R. Miller, O. McCance, B. Kennedy, B. Cleveland, C. Clark, L. Maxwell, L. Bartlow, G. Norton, P. McLouth, K. Cooper, J. Yelton.

The setting of the play is Pleasant Corners, Ohio, population 123, during the 1920's. Fish and Hooker, two not-so honest, not-so successful "vaudevillians" running from the law, are stranded in this town and seem to be in a hopeless state. They soon discover that the town needs money for a school, and they can help them get it by putting on a show. The vaudevillians intentions are not-so pure as they have planned to make off with the money before the last curtain call of the show. During the rehearsals for the "Pleasant Corners Follies", Fish falls in love with the local hillbilly's daughter, Emma Jean, and has second thoughts about stealing the cash. As Hooker tries to make off with the suitcase of money, one Sgt. Tim O'Sullivan appears to stop him. The suitcase is empty, due to Fish, and Hooker is off the ... er, "hook". The towns people decide to forgive Fish and Hooker and also make O'Sullivan the local Lawman. The play ends with a rousing chorus of "Vaudeville's My Home".

... THE JUNIOR CLASS PLAY, "CRISS-CROSSED LOVERS" What do you get when you cross a crazy group of high school actors, a frustrated director, a group of women volleyball players, two bumbling crooks, two crooked volleyball players, a senile candy store owner, and half-wit detective? You get a night of hilarious comedy and fast paced action in the Jr. Class Play. The play was performed Friday, April 2, and it was well worth the money. The Juniors did an excellent job and are looking forward to next years experience.

Down

February 15-21

This year's FFA held one of the best FFA weeks ever. The participation was above that of the years past. **Monday** started off the week with everyone in his jacket or official dress.

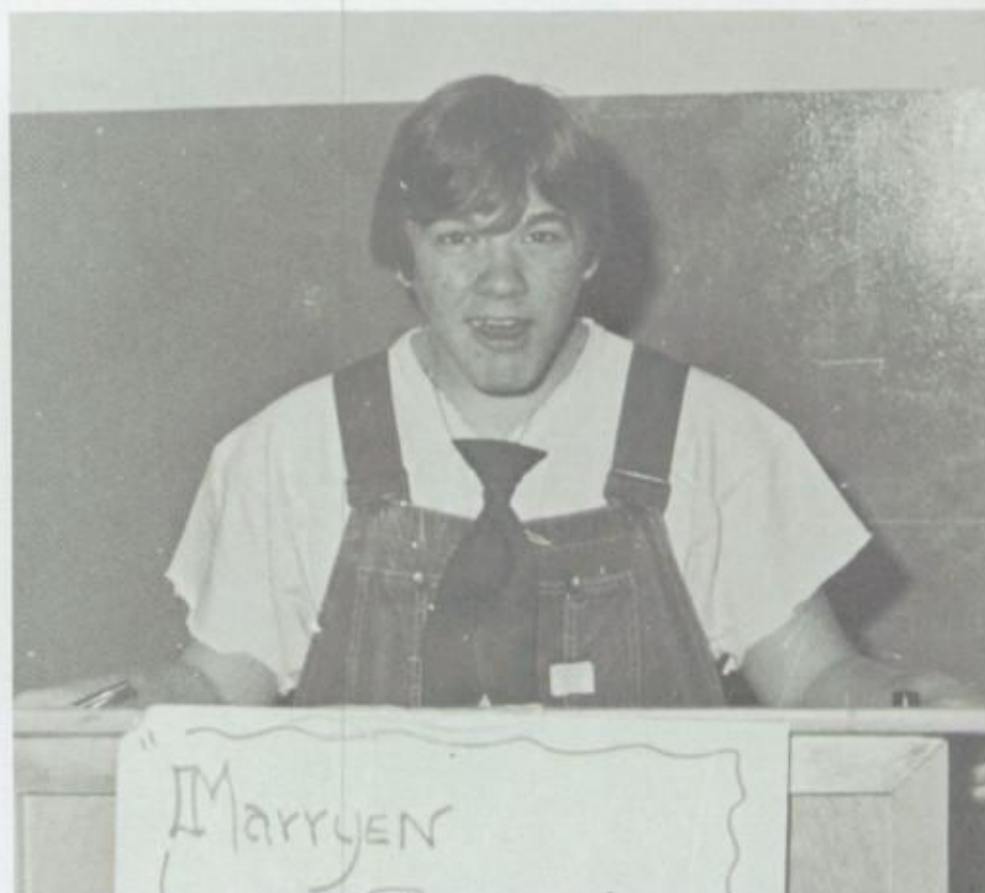

Tuesday was Hat and Boot Day. The winners in the hat division were: Straw — Terry Copeland; Leather — Monty Strader. In the boot division, first place winners were: Sloppiest — Ben Litchfield; Neatest — Karen Cooper; Fanciest — Jeff Vancil.

Wednesday highlighted the week with the Animal Barnyard attracting all animal lovers.

Thursday's Tire-a-Thon was postponed because of the weather. But, after hard work and dedication, they pulled (or pushed!) through with success.

Friday's finale was the Nailbangers' win over the Aggies in a game of basketball.

Enough already! I said "kiss", not "attack"!

On The Farm

Candy, next time, leave your monkey at home.

There ain't nothin to do but sit and gawk!

FFA week was topped off by a very enjoyable and successful Sadie Hawkins Dance. The dance was provided in part by the FFA, and the Student Council. Music was provided by "Saddle Tramp", and all else by the two organizations. During the dance, the couples could be wed by Marrin' Sam, or a friend could pay for a "shotgun wedding". Refreshments were provided, and all-in-all, it was a great "country delight".

Sweet Dreams

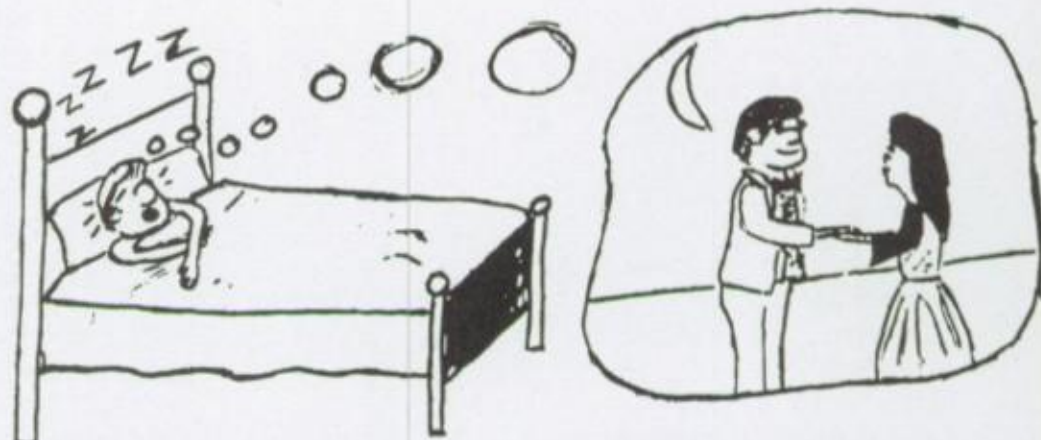

This year's Juniors provided a romantic atmosphere for "Prom 82". Dancing to the music of "Antics", the students and faculty enjoyed a night filled with "Sweet Dreams".

There's not much time to live my life the way that I should. I know only that I'm so glad I fell in love with you, and I'd do it again if I could. Close your eyes. I want to ride the skies in my "Sweet Dreams". Close your eyes. I want to see you tonight in my "SWEET DREAMS".

Shelly says to Chris, "The Swedish meatballs look well done?"

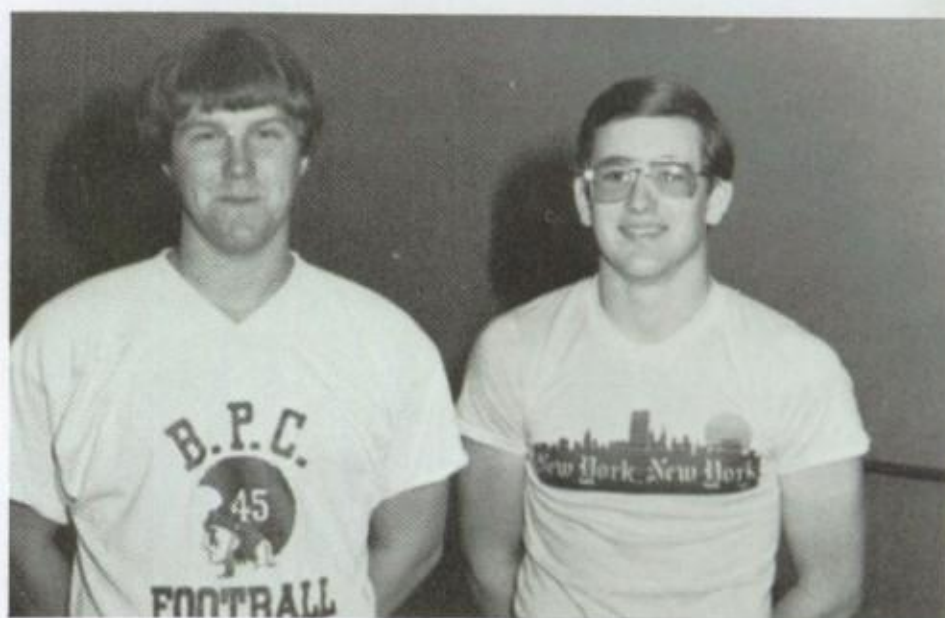

There is dancing cheek to cheek and then there is dancing nose to nose.?

I Love Popcorn

Our dedicated Stu. Co. sponsor for this year was Mr. Krey. Through all his time and effort he managed to promote spirit throughout the school. A lot of hardwork was projected into all activities with the best effort put forth. Along with sponsoring Stu. Co., Mr. Krey was MC at BPC's Basketball games

President Rob Stirratt trying to act grown up.

Without Student Council school would be so dull. And just think, there would be no reason to dismiss classes early. All through the school year Student Council sponsored a variety of activities to motivate the spirit of our school and the students. Included in these activities were Yearbook Signing Party, Homecoming Week, Halloween movie — **The Incredible Dr. Philbes**, Teacher Appreciation Day, The Christmas Tree and Decorations, Christmas Movie — **The Inlaws**, Candy Sales, Hot Coca-Cookie Day, Secret Admirers Day, Sadie Hawkins Dance, Student Council Week, Teacher Breakfast and Student officer elections. We can't forget two of the biggest student council activities. First are those dedicated members that work at the popcorn machine through the football and basketball seasons. Second, the creative and spirit rising pep assemblies for all the school events during this great year at B-PC High.

Some sixty entertainers provided Spartan spirit throughout the football season with musical horns and colorful pagentry. Songs for the halftime included "Chattanooga Choo Choo," "Ice Castles," and "On Broadway." The B-PC HS Marching Band was actively involved in performing, not only for Bushnell events, but also for Western Illinois University (Homecoming Parade) and for Monmouth (Prime Beef Festival). The Band's hard work and fine talent was rewarded by their receiving the second place trophy of the 2nd division in W.I.U.'s parade. We commend the Band and Miss Hannam and wish them the best of luck for following years.

The Girls' Varsity Club spent much of this year trying to decide on money making projects. The club had concessions during both the football and basketball seasons at which they brought baked goods — most of which ended up going to the team. They also decorated the gym for Homecoming to the theme of "Milky Way". The Girls' also paid for half of the painting on the gym floor along with the Boys' Varsity Club. In addition to this the club added many new pictures to the north wall of the gym.

The Club's profiting events were concessions and dances. The boys also paid for half of the painting on the gym floor along with the Girls' Varsity Club. In addition some of the members painted the three SPARTAN signs located in Bushnell.

The Bushnell-Prairie City Chapter of Future Farmers of America has excelled in many ways throughout the year. Not only by various judging teams and individual honors but by outstanding chapter activities.

The year was started off by receiving the National Gold Emblem for outstanding chapter activities and participation in the program of work. In 1982, the chapter received State Gold Emblem which ranks them among the top 16 chapters in Illinois. For four consecutive years the chapter has won the Bankers Plaque for outstanding program of work and the section Safety Award for the best safety activities. Out of 119 entries, the B-PC FFA Chapter was ranked 8th in Illinois for safety and will later enter National competition. Among these awards the chapter was ranked 15th in Illinois for BOAG which places them as a Silver Emblem Chapter. In early summer, the chapter will enter National competition in BOAC.

Officers for this year were: Jeff Vancil, Pres., Kevin Roberts, Vice Pres., Heather Sweney, Sec., Bob Douglas, Treas., Dwight Pestle, Sentinel, Chuck Sinnett, Reporter.

Awards: L-R: R. Miller, SRC Honorable Mention; E. McGrew, SRC Honorable Mention, Most Improved Player; Phyllis McLouth, SRC Second Team; L. Maxwell, SRC first Team, Most Valuable Player; P. McLouth, SRC First Team, Most Valuable Player; J. Thurman, SRC First Team, High Scorer.

The Lady Spartans, having lost five starters, looked at what would be a rebuilding year. What it turned out to be was a very successful season winning the Roseville Tournament and then knocking off Lewistown for the District Championship. The team ended the season with a record of 13-10. Next year the ladies will have three starters returning as well as two regular substitutes who will prove to be assets for what appears to be a successful season.

Coach Sepich and the Spartan football team ended their season with a record of 1-8. Although the record might have been misleading, the Spartans improved both offensively and defensively during the season. Much experience was gained throughout the year by both the coach and the players. Due to the change of conferences, Coach Sepich and the Spartans hope to be very competitive at all levels of the game with these five new teams. With the winning of the final game of the season, B-PC High School will be looking forward to an enthusiastic season for next year.

We just WON!!!

Coach Arthur and the Lady Spartans completed their season with a record of 14-6, and 3-3 in the Spoon River conference. This was a very impressive record considering the Spartans started one junior and four sophomores for the course of the season. Coach Arthur is very optimistic for the 1982-83 season due to the experience, confidence, and maturity gained by the players throughout the season. She feels that the new conference will provide the team with good competition and also prepare the team for the post-season tournaments.

"Tough Guy" ... Ted.

Jump for the stars!

Coach Alexander and the Spartans concluded a very successful season with a record of 13-12, and 6-6 in the Spoon River Conference. This was the first winning season the B-PC Spartans have had since the 1978-79 season. The Spartans were seeded first in the Roseville Regional, but were beaten in the first round play with Farmington by a last second shot 51-53. Due to the loss of 8 seniors, the Spartans will have a very young team for next season. Although next season looks to be a rebuilding year for the Spartans, Coach Alexander feels that the team will have much potential. The Spartans are also looking forward to the new Prairieland Conference in which they hope to develop new rivalries for future season.

Everybody back ... Jeff will find the contact.

Time

Time
 Time, flowing like a river
 Time, beckoning us
 Who knows when we shall meet again
 If ever
 But time
 Keeps flowing like a river to the sea

Goodbye my classmates, maybe forever

Goodbye my love, the tide waits for us
 Who knows when we shall meet again
 If ever
 But time

Keeps flowing like a river (on and on)
 To the sea, to the sea
 Till it's gone forever
 Gone forever
 Gone forever more

Goodbye my friends maybe forever
 Goodbye my friends, The stars wait for us
 Who knows when we shall meet again
 If ever
 But time
 Keeps flowing like a river (on and on)
 To the sea, to the sea
 Til it's gone forever
 Gone Forever
 Gone forever more

Senior Of The Year

JEFFREY VANCIL

Jeff was voted Senior of the Year by his fellow National Honor Society members for the 1981-82 year.

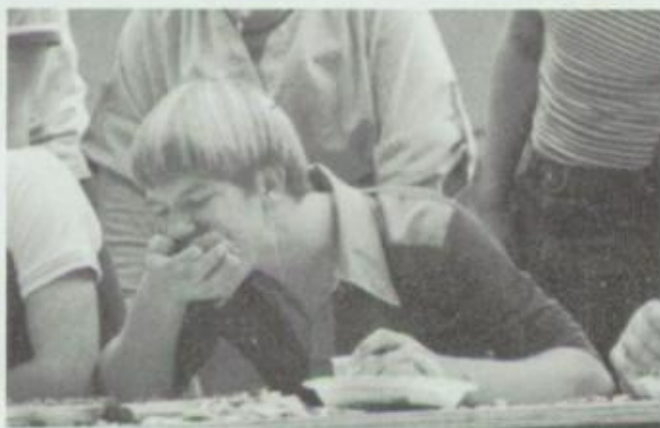

Remembering When . . .

Well, here we are in our senior year. It really seems hard to believe. Our last year is here and nearing an end. Where did all our time go? It seems like yesterday when we were all in kindergarten, struggling our way to first grade. Laughing, joking, playing around, and teeter-tottering at recess. Those days were soon gone and we entered "high school", a world quite different from our own. We entered as a group, as scared as could be, figuring the Seniors would pick on us. Sophomore year was a little better, except for geometry! Junior year came in a hurry. We ordered our class rings and ran! Now it's senior year — we've made it through. I thought it would never end. Now the end is here and I don't want to part with the friends I've learned to love. Looking back, we've come a long way — really! We've struggled and achieved, together. Graduation is here, ending this year. I'll always remember the good times and the bad for without memories a person has nothing. And as for friends I have the best! Without them, a person is lost.

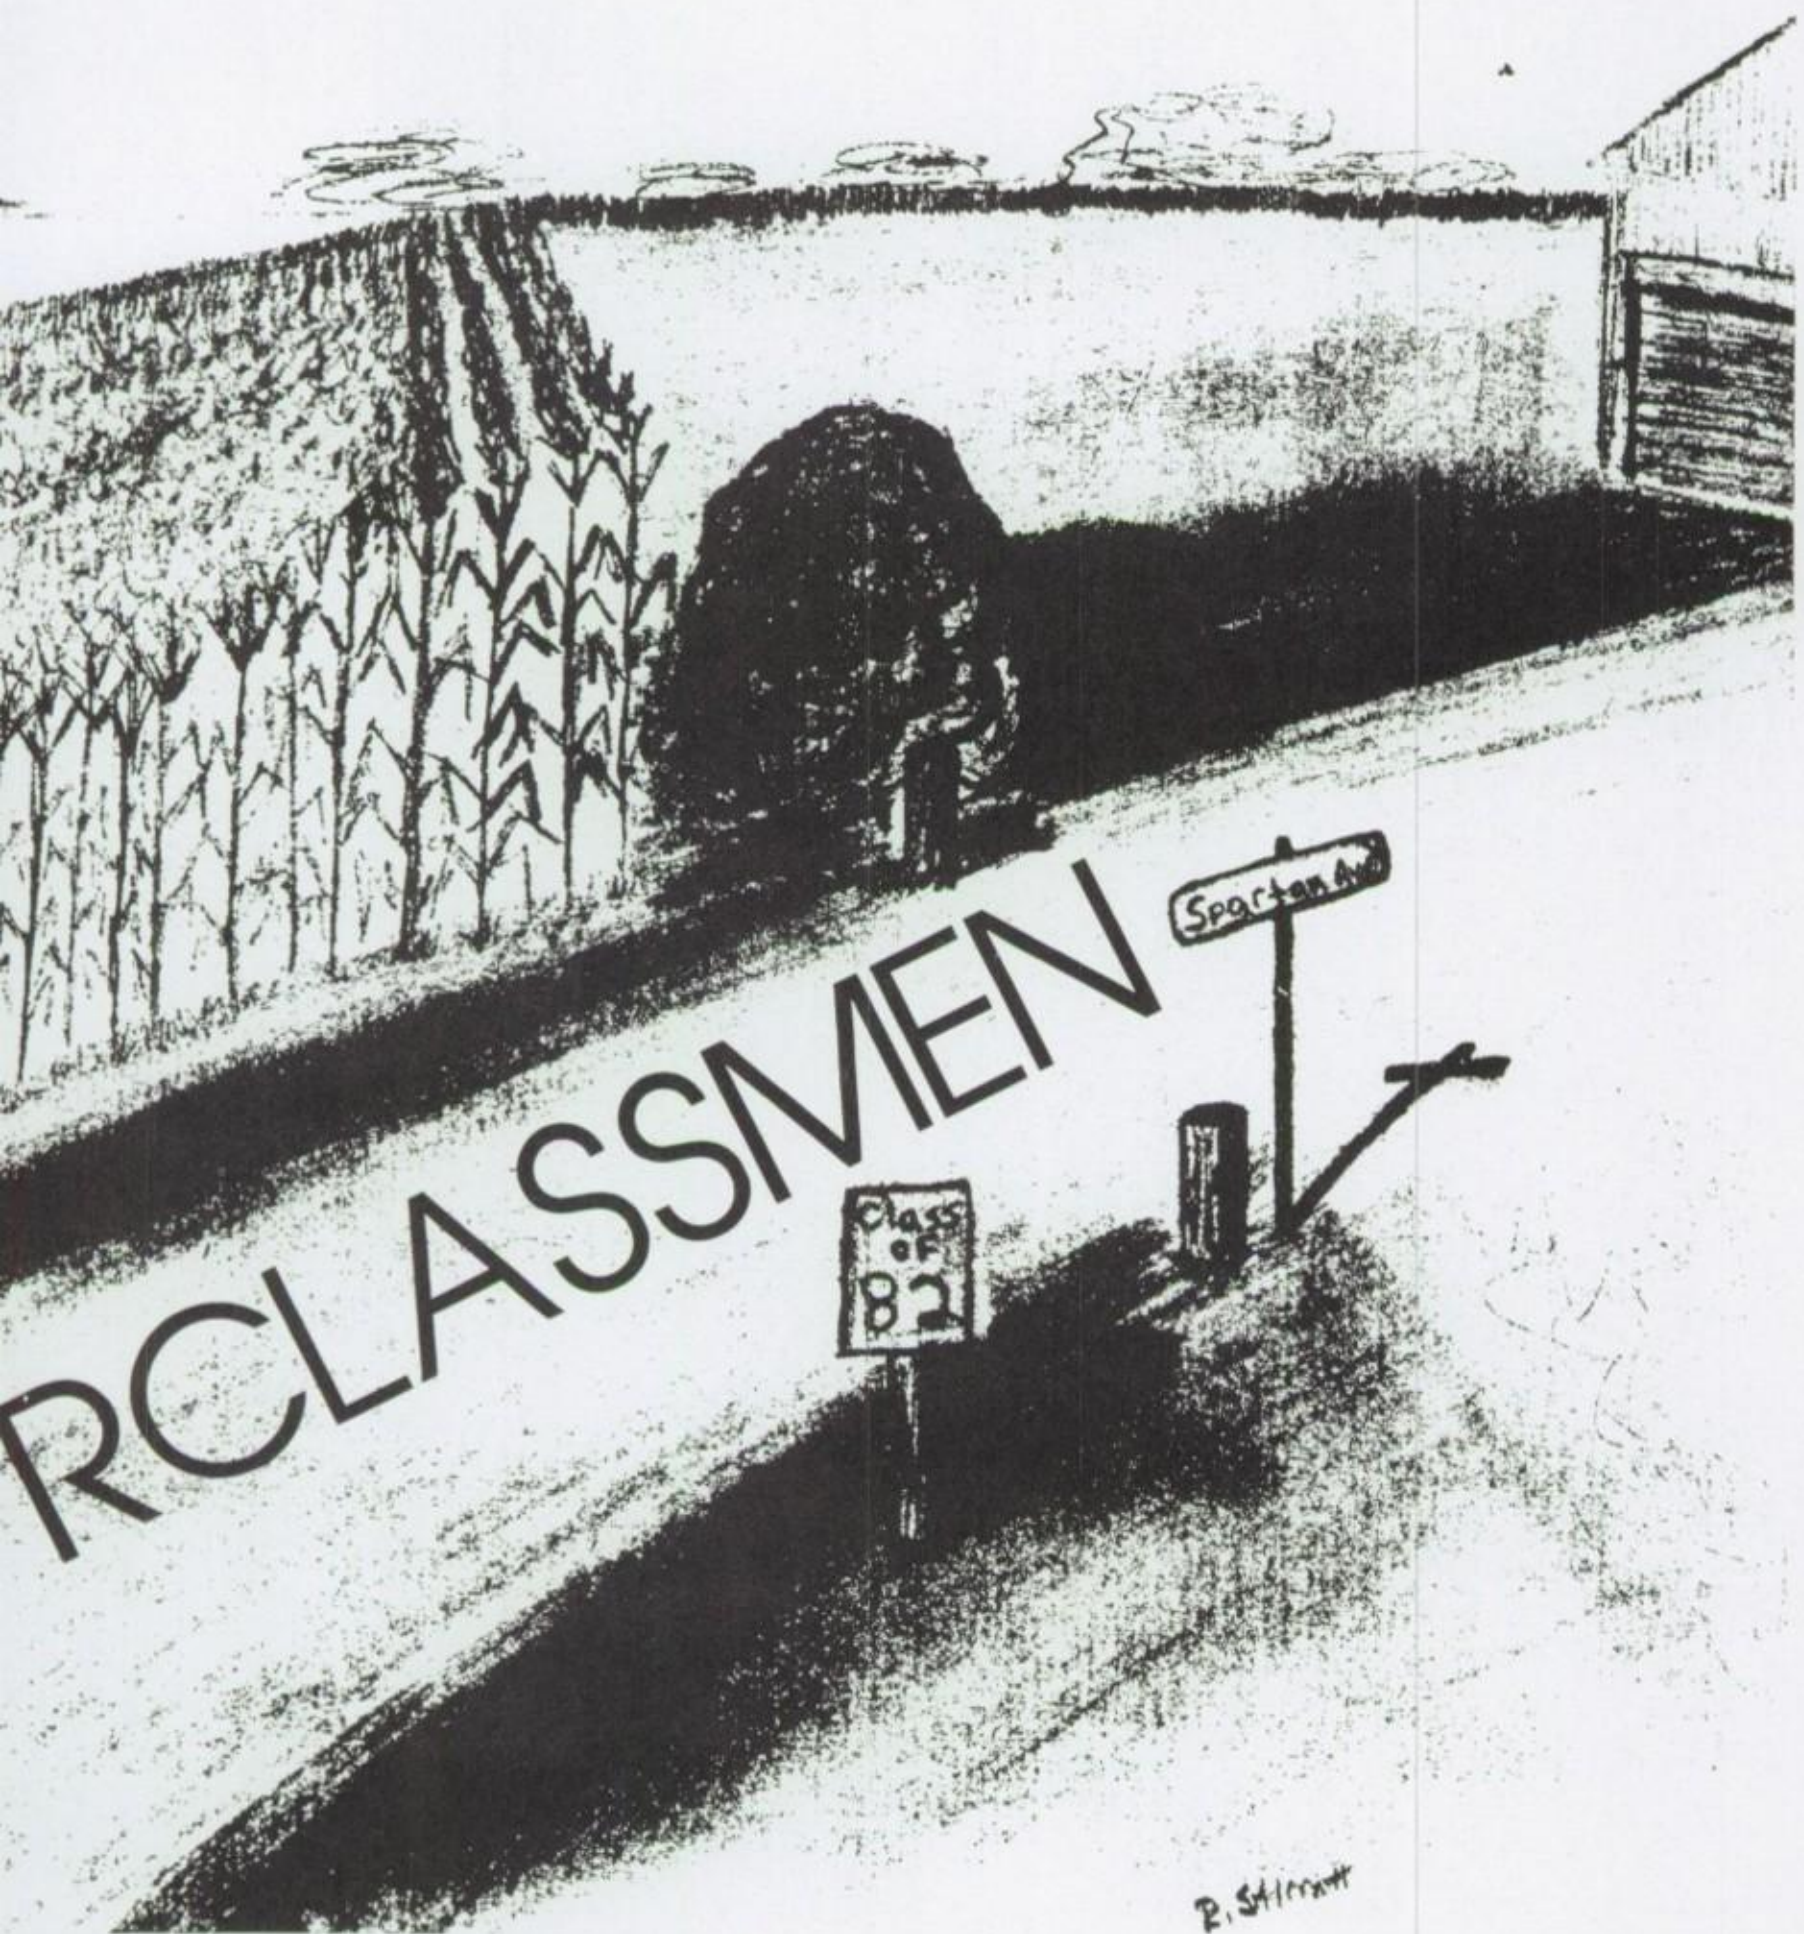

I must confess, I'll miss you all as we go our separate ways, but because of you and the memories, I'll never walk alone or be afraid. Thanks for being a friend.

Teacher Of The Year

Mrs. Anita Pyle

The recipient of the teacher of the year award is a teacher who has not been at B-PC very long. But during this short time, she has still earned much respect from her students. She even found time to earn her masters' degree from Western while still maintaining a full class load of Advanced Math, Algebra II and Geometry.

And so we present Mrs. Anita Pyle with the Teacher of the Year Award.

Traveling A Distance

Bertha & Pati

This year has been for me one of the best ones because it has been full of all kinds of experiences. I've enjoyed so much my stay here with these nice people of Bushnell, and the school with all the activities and sports. It was hard for me at the beginning of the year to adapt to this different school system and the different customs of this country, but I found such wonderful friends who have helped me a great deal in fitting in the B-PC environment, and I know that I accomplished this. My return home will be difficult because I've become attached to all the people here in Bushnell who have been so nice to me. I thank the Rotary Club for the wonderful host families I was provided with. I'm really so thankful with everybody for allowing me to share this great year. I'm sure, I'll be back soon, because I won't be able to forget you. So, the only thing I can say is: ¡Hasta Pronto!

THANKS SO MUCH

Sincerely yours

Bertha

Mexico '82"

P.S. I will always be a Spartan.

It has been a very good experience to spend one year as an exchange student in Bushnell-Prarie City High School. Everything is completely different, but I have found very wonderful friends here who are helping me very much to get used to this new way of life. At school, people try to be my friends, to make me feel involved in activities, to accept me as I am. They always have a smile and a Hi! to cheer me up, to make me feel at home. And also, they give me opportunities to talk about my country, as well as they tell me about the U.S.A., making this year very profitable because of the exchange of the cultures. I'm very thankful to everybody for everything they've done for me, and I also would like to invite everybody to come to Brazil. You all can be sure I'll always keep you in my thoughts and in my heart.

A big Kiss with all my love,
Patricia Rios

I would like to go through life with all my friends and we could tell each other what door to open, what road to choose, and what star to watch. Unfortunately, deep down inside I realize that this is impossible. I realize that we all must do it ourselves and others can only offer their opinions. To all my friends I would like to wish the best of luck and with God's help I know you will all be successful. My greatest wish is that all of you will make wise decisions and live contented lives. — Pam McLouth (Literary contest winner.)

We would like to extend a special thanks to Mr. Scott for his help with photography. We would like to thank Mrs. Kugler and Miss Mayberry for their time and dedication in making our yearbook a success.
